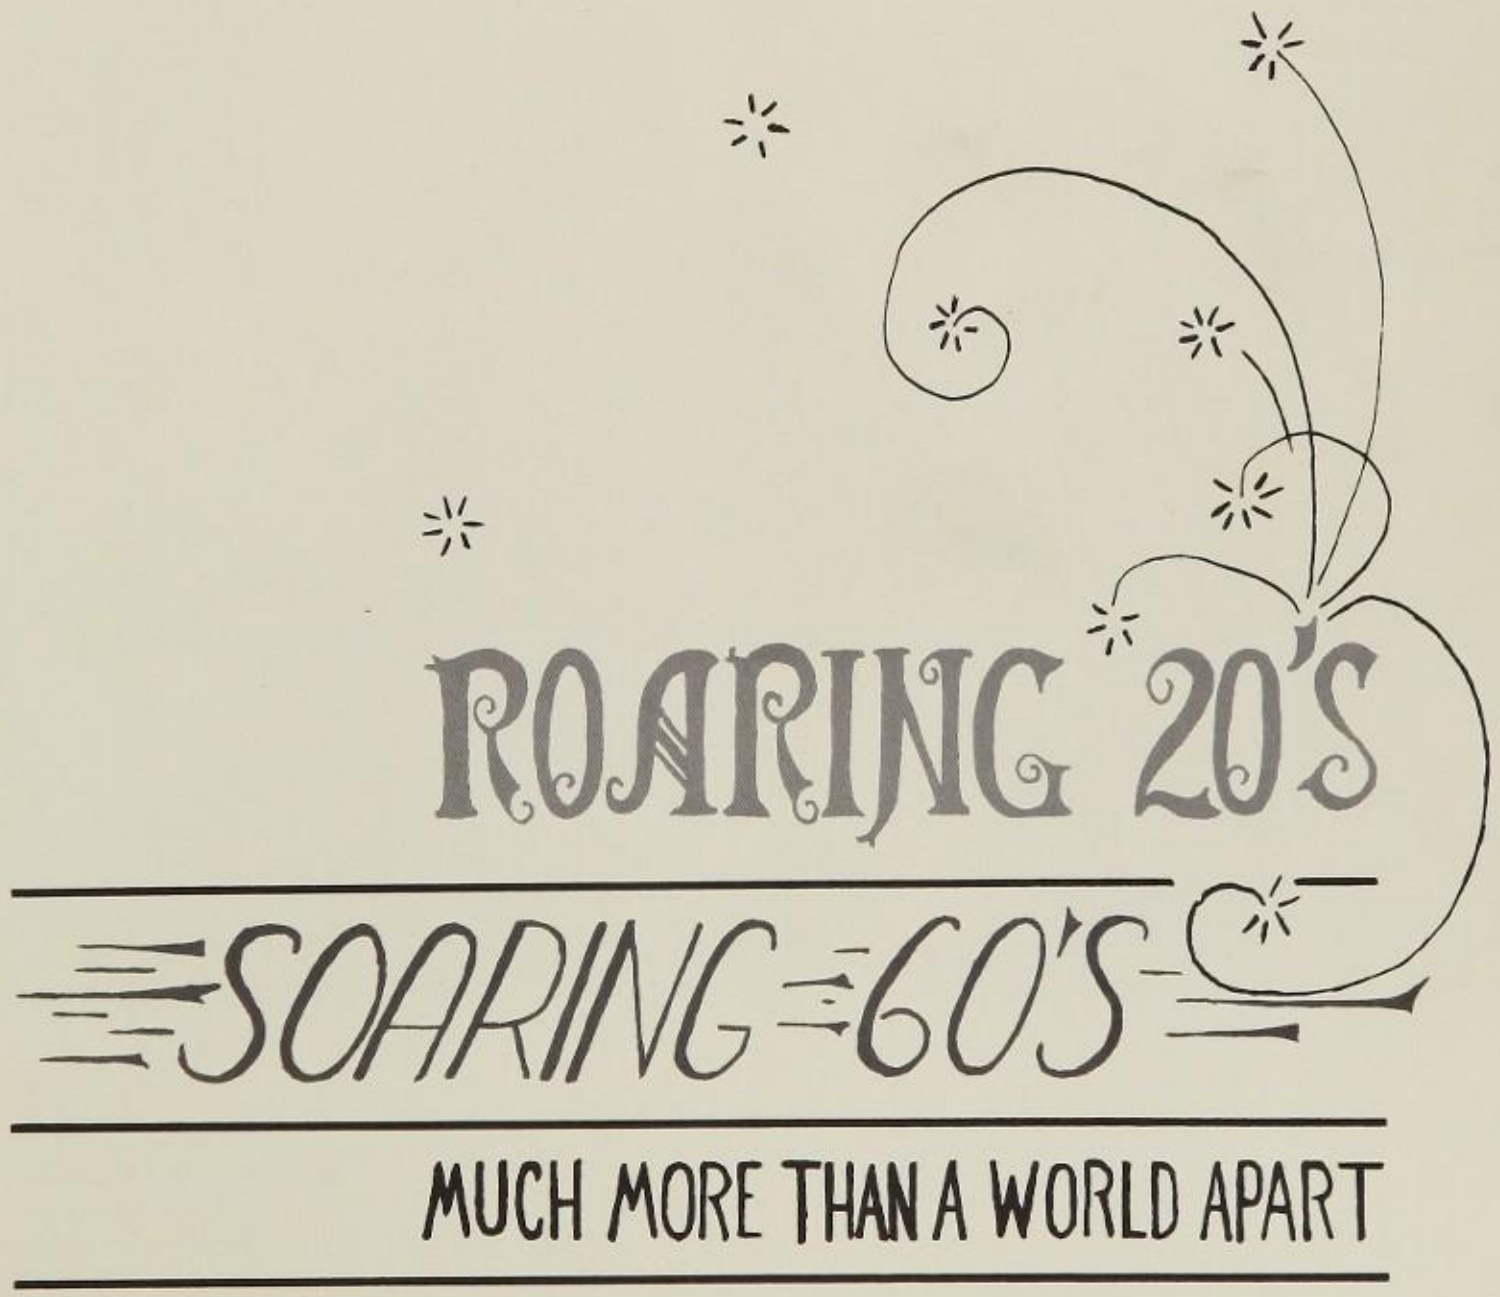
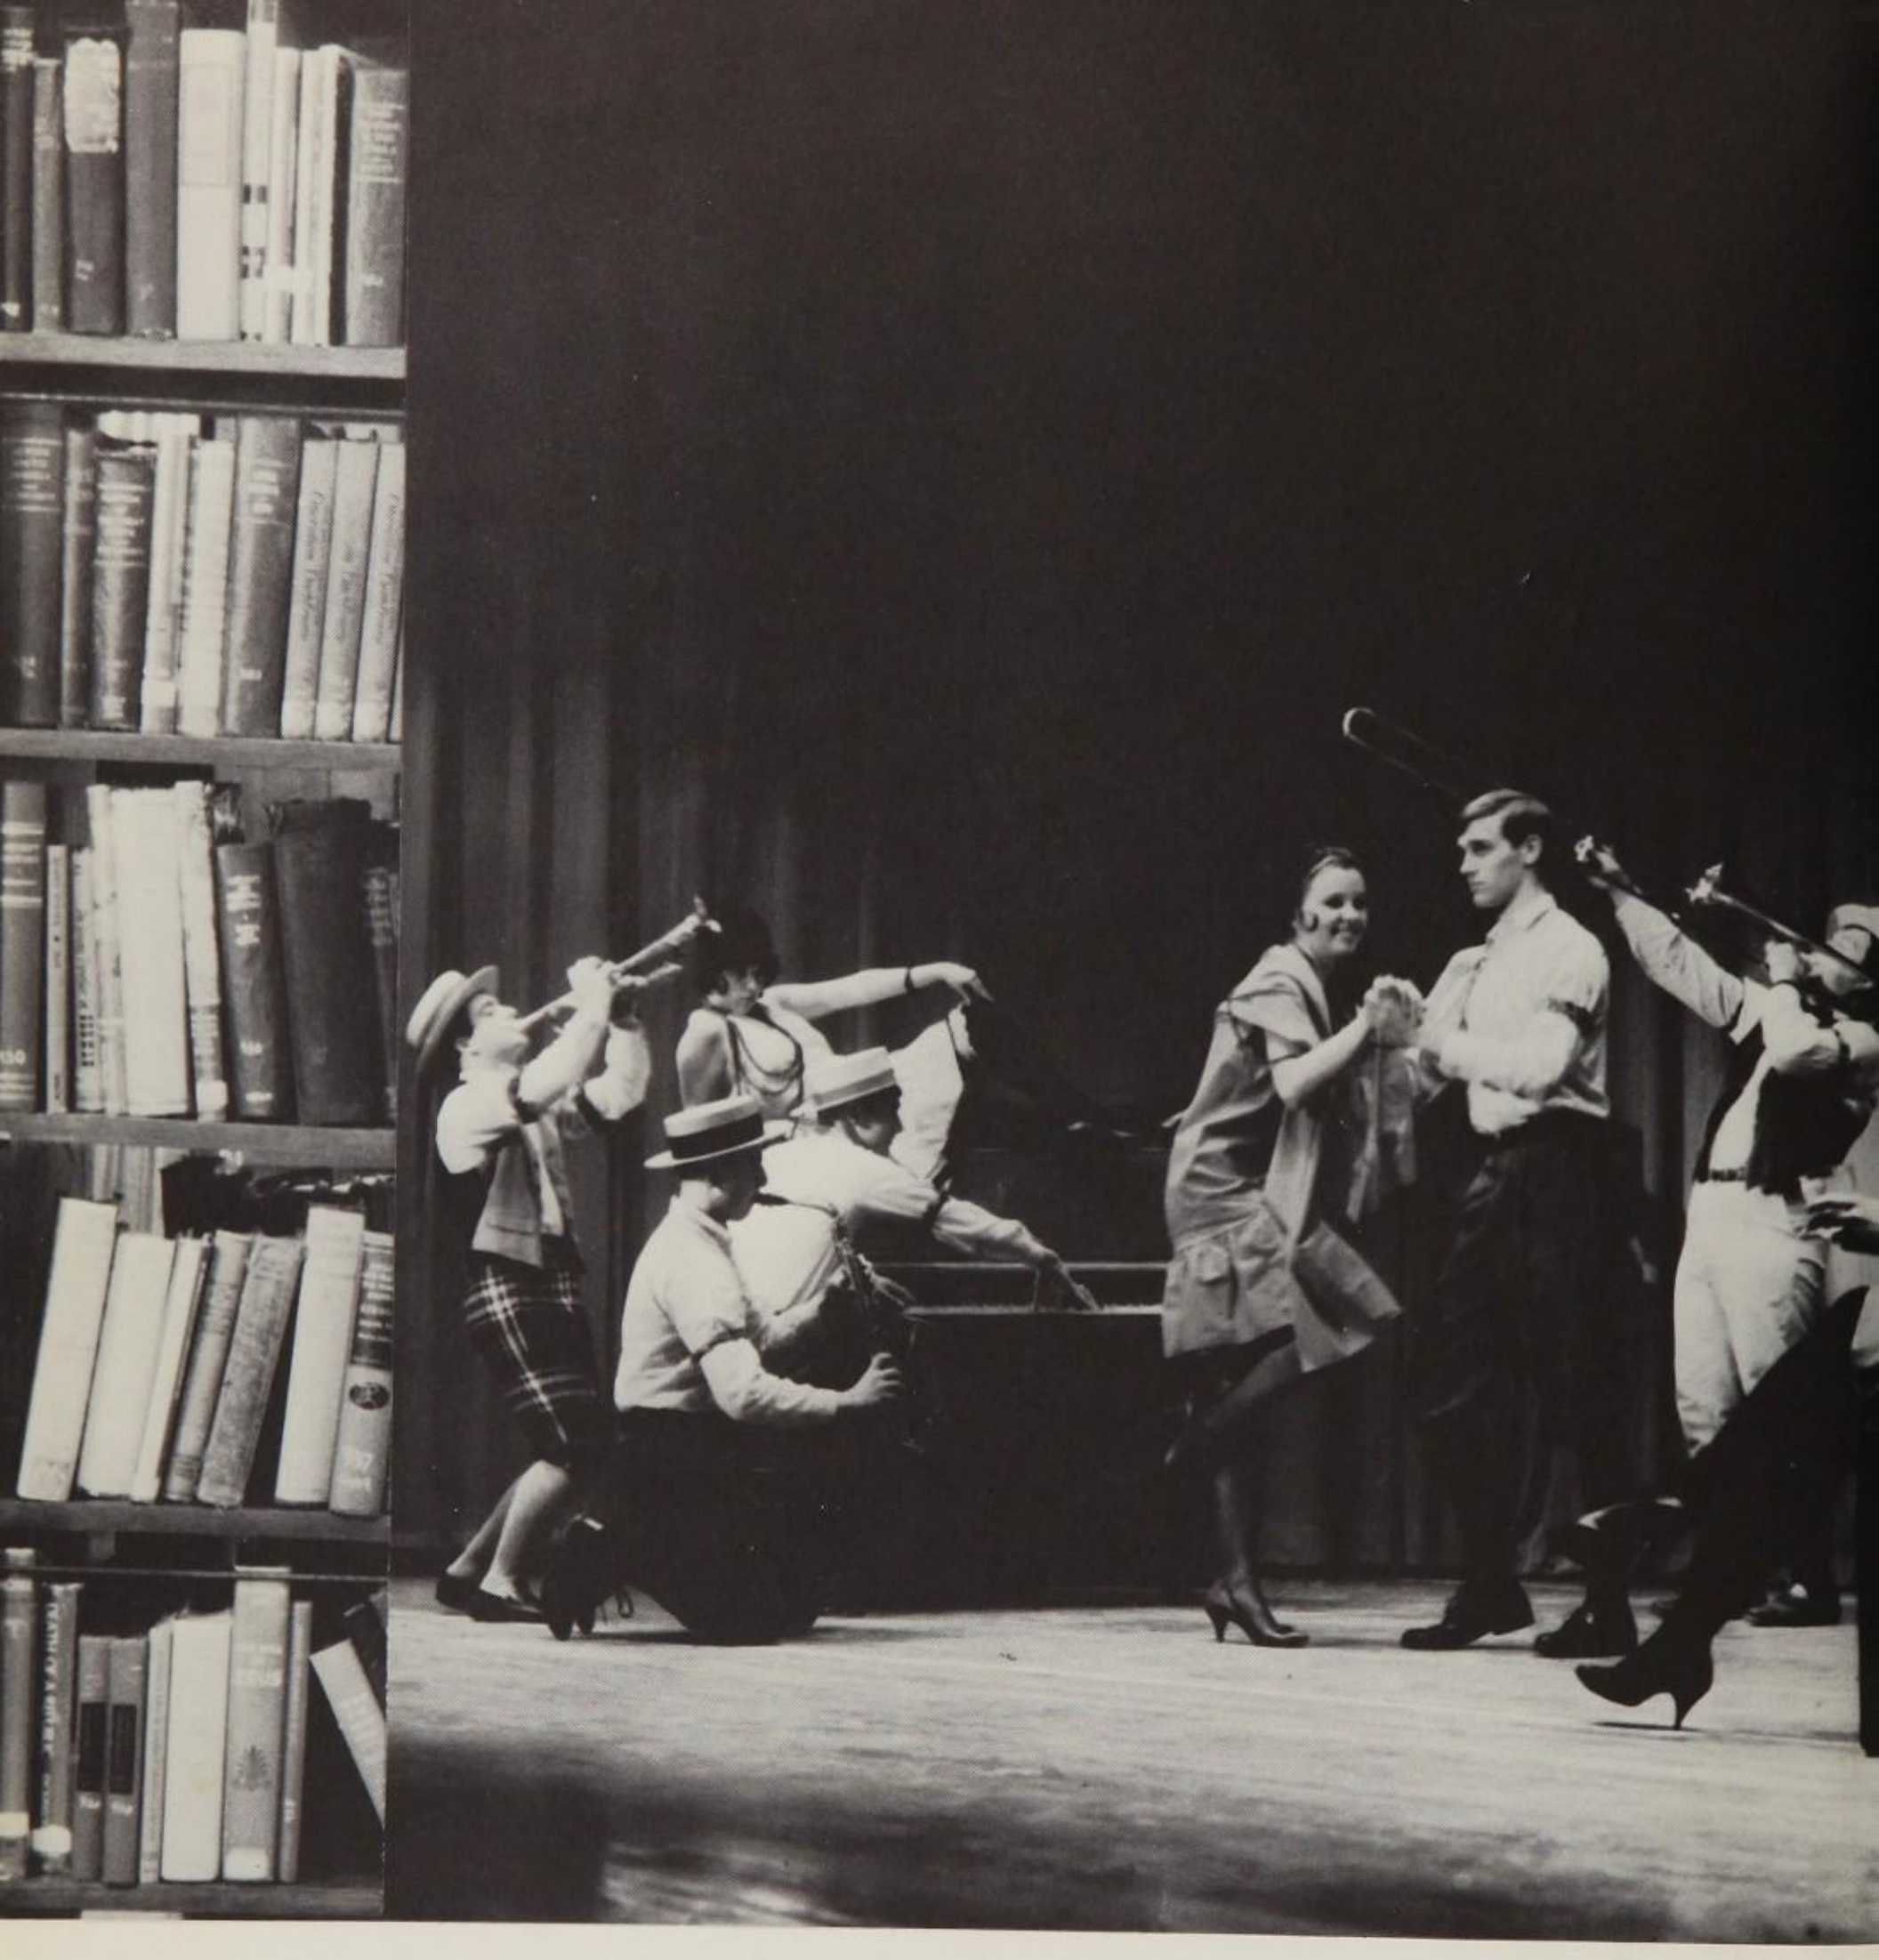
BERNARDS HIGH SCHOOL
BERNARDSVILLE
NEW JERSEY





Walk with us through this vista of the twenties into the world of the soaring sixties. As you wander from page to page keep in mind that the span of years which represents our theme has seen mankind's greatest progress. In these years we came up with more answers than we know what to do with—yet, have we really changed? The pictures and activities portrayed here are not too unlike those of the twenties—only the people and the dress are different. We wonder, might not the "go-go" girls and "discotheques" of the sixties in some way be related to the "flappers" and "speak-easies" of the twenties?

DEDICATION

The senior class proudly dedicates the 1966 "Bernardian" to Miss Mary Elizabeth Young. She is a person who has the spirit of the twenties plus the progressive outlook of the sixties. Her familiar voice has brought us through the civilizations of the Fertile Crescent to the columns of the Golden Age of Greece and Rome, inspiring us with her own wonder and awe. Miss Young will always be remembered by student council members who were guided through ticket sales, handbook editings, car washes and Leadership Seminars by her silent nods and approving glances. Through her dedication, Miss Young has not only taught us history but she has exemplified leadership and sincerity as well. Along with her scholarly approach, her petite figure and blond curls seem to radiate sunshine in the halls of Bernards High, this combination making her truly a person to remember with gratitude and affection.

CLASS HISTORY

The class of '66 roared off to a good start with Donald Mossa in the driver's seat. Backseat drivers were Candy McDermott, Karen Ricco, and Gloria Morgia. The Shipwreck Rock, given by our class, was a memorable hit.

We picked up speed as we pulled into our Sophomore year. Geoff Hopper, Don Mossa, Ro Marinaccio, and Sharon Wood steered us through the Baby Party and that terrific Farmer's Ball.

We raced into our Junior year as upperclassmen at last. Immediately the excitement of the Junior Prom caught up with us. Remember those weeks of painting cardboards and everything else with pink paint? Our hard work paid off, though, when we presented "1001 Arabian Nights," a never-to-be-forgotten event. Later in the year many Juniors, participated in our first musical, "The Music Man." We also gave a Bermuda Hop in May for the outgoing Senior class.

Our Junior class officers were Bob Ricco, Mark Forgione, Liz Walton, and Peggy Fitzpatrick.

At last we skidded into the home stretch. We had a fine State Champion Cross Country team, and a football team with a winning 5-4 season. We helped put on another musical. With spring came the Senior Prom and Senior Day, when we taught the classes at BHS. There was also the Senior Trip.

Our busy senior officers were Keith Gallaway, Doug Ballentine, Liz Walton, and Patti Ricco.

We crossed the finish line in June with a set of happy memories for souvenirs of our gold-cup years at Bernards High.

CLASS HISTORY

Although only juniors, the class of 1967 already has much to be proud of. As freshmen, under the fine leadership of Carmine Petriccione, Joe St. Onge, Sue Castrilli and Meryl Streep we soon overcame our feelings of perplexity and settled down as new members of Bernards High's student body. Highlights of the year were our undefeated freshmen football team and the freshmen dance commemorating Saint Valentine's Day.

In the fall of '64 we again returned to assume many responsibilities. Ably led by Joe St. Onge, Margie Tiger, Sue Castrilli, and Lauren Denton, we welcomed the new freshmen with the annual Baby Party and soon found ourselves busily decorating the halls for Christmas. Later in the year we presented the memorable Sophomore Sweater Dance.

Now, at last we are upperclassmen. Again led by Joe St. Onge, Margie Tiger, Sue Castrilli and Lauren Denton we gave the traditional Junior Prom. The theme was "In Days of Olde" and over a hundred couples attended. In January when Lauren Denton transferred to The Gill School, Linda Mathews became our new treasurer.

Our first three years here at Bernards have seen the class of 1967 forge ahead in all fields of endeavor. Although we have already contributed much to B. H. S. we eagerly look forward to the challenges of next year. We hope to prove ourselves, and our class to be the "Best of all the Rest!"

CLASS HISTORY

Bewildered and a bit frightened we entered Bernards High as freshmen in the fall of 1964. Under the capable leadership of Debbie Talbot, assisted by Bruce Appledoorn, Mary Castrilli and Jim D'Agostino, we overcame these feelings and soon began to function as one class; presenting the Freshman "Clash" Dance.

This year, a little wiser, we returned to B.H.S. to give the incoming freshmen their traditional baby party under the direction of Sean Kelly, Chris Hopper, Mary Castrilli, and Lynda Young. Later in the fall we took part in Bernards High's first annual Homecoming presenting the float "Knowledge is Power."

Thanksgiving saw the beginning of our tulip bulb planting beautification project which we hope will become a sophomore tradition. The artistic talent of our class received its share of recognition through our "night before Christmas" decoration theme which helped to brighten halls and corridors last December. The real highlight of our year however proved to be the January Sophomore Dance.

Everyone can see we're gathering momentum. Just watch our smoke in '67 and '68.

CLASS HISTORY

We're a bunch of freshmen, class of '69, and we would like to thank the upperclassmen for their help when many of us were lost and discouraged.

The first few days were hectic, but thanks to the Student Council orientation program we began to feel at home.

To open the year the sophomores gave us the traditional "Baby Party" which was a huge success.

The football season began and B. H. S. had its first annual homecoming. We entered a "Baby Float" with Valerie Chuhinko as freshman court attendant and to our delight won first prize. Next year we plan to make it a sophomore win!

The freshmen football team, under captain Bob Ward ended the season with a fine 4-3 record, beating Ridge!

None of this would have been possible if it hadn't been for the efforts and spirit of our class under its president, Harry Streep. He was assisted by vice-president Michael Petriccione, secretary Cheryl McDermott and treasurer John Denton.

Our first year at B. H. S. was an interesting, enjoyable and rewarding one, one in which we made many discoveries about the school, ourselves, and the people around us. We discovered the thriving and outstanding spirit of B. H. S. We hope to carry this spirit with us not only for the next three years, but throughout the rest of our lives.

The 1965-66 school year has at last ended, and with it has ended my job as Editor-in-Chief of the 1966 Bernardian. Mine has been a wonderful job; at times exasperating, long and seemingly hopeless, but thoroughly enjoyable. My thanks to the entire staff for making it so.

Faith Hudnell, JoAnn Mathews, Peggy Fitzpatrick and Geoff Hopper have been irreplaceable. Liz Walton, Sue DePietro, Jeanne Ratti and Sally Shaw have successfully kept us within our budget. E. Jay Sims has supplied us with the wonderful drawings, and Bev Beihl was responsible for the Senior Record.

A special thanks to all our photographers, Gunnar, Carmine, Mr. Clay, Leon David, West Point Signal Corps, C.B.S., John Krumbeigel, and Helen Williams; and many, many thanks to our faithful typists, co-ordinated by Cecelia Bodnar.

Most of all, however, I want to thank our adviser, Miss Hosmer for her help and perseverance throughout the year. Without her this book could never have become a reality.

NATIONAL HONOR SOCIETY

Nathan G. Macadam Chapter

Students possessing an outstanding scholastic average and the traits of good character, leadership, and service are eligible for membership in the Nathan G. Macadam Chapter of the National Honor Society.

This year the National Honor Society sponsored the successful "Just a Dime at Christmastime" appeal for charity. It has also worked on a school beautification project.

With Joanne Edmonds and Debbie Mikulak as co-chairmen and Mrs. Aboutok as faculty adviser, the Foreign Student Committee sponsored many activities this year.

In order to raise funds for next year's foreign student and to help finance the Americans Abroad program, the annual Change Drive and Foreign Exchange Dance were held. An overnight weekend for potential exchange students was also carried out.

Assisting the club on various committees were Mrs. Neill, Mrs. Graybard, Mrs. Mikulak, Mrs. Chas, Mrs. Mathews, Mrs. Drummer, Mrs. McCue, and the Rev. Pepper. Without the aid of these valuable people the committee could not have functioned.

Suzanne Graille, our exchange student from France, was a cheerful "Good-will" Ambassador.

VARSITY CHEERLEADERS

What are B.H.S. Cheerleaders made of? This year they were made of spirit, spirit, and more spirit! Led by their vivacious captain, Gloria Morgia, they cheered our football team on to a winning season and then went on to support our basketball and wrestling teams. All of this year's pep rallies, which helped to stimulate the school spirit of the student body and the teams, were directed by the cheerleaders. They have worked hard and accomplished much.

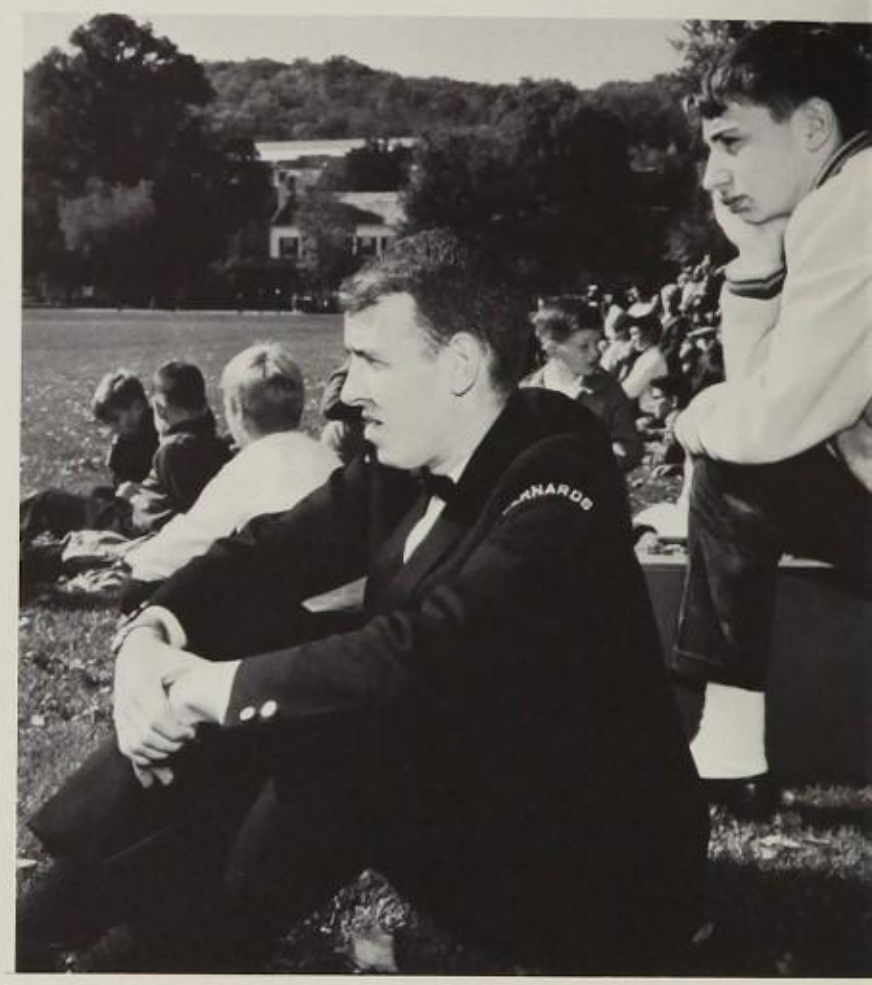
BAND

The Bernards High Band is continuing to add to its list of achievements under the direction of Mr. Owens. This year our band performed an elaborate drill at West Point during the Army-Rutgers game. Adding extra snap to their performance were the new uniforms, paid for by the combined efforts of the Home and School Association and the band members. In addition to West Point, the band had success at football games and concerts. Performances this year have shown that in future years the band will continue on to bigger and better things.



Mr. Owens and Mike Petriccione watch the more experienced West Point Band.

CHORUS

This year many good voices with a great deal of enthusiasm and the excellent direction of Miss Clare Callahan, B.H.S.'s chorus proved itself to be superb. At their annual Christmas Concert, aided by piano accompanists Pam Berry, Carolyn Matera and Mrs. Blunk, they performed most of their songs **a capella** and presented the Hallelujah Chorus from the **Messiah.** Along with working on their Spring Concert, many members of the chorus also took part in **L'il Abner,** the school's second musical.

VARSITY FOOTBALL . 1966 .

The 1965 Varsity Football squad finished the season with an impressive 5-4 record. Under the skilled direction of Coach Ferry and with the help of Co-captains Jack Tosi and Jim D'Angelo the team surprised many opposing squads with great strength and speed.

The first game of the season, played against a favored Bound Brook team, saw Bernards score an upset victory 13-6. The next game was dropped 33-7 against a powerful Pompton Lakes. Following this came a disappointing 19-14 loss to Chatham Township and two losses to Netcong and Manville. Bernards seemed on its way to another dismal season. During the sixth game, however, a new slogan was coined "A Drive for Five" victories. With the entire school behind them, the B. H. S. squad beat Randolph Township 20-14, then Dunellen 26-12. Next a win was scored over Middlsex 20-7 and in the final game of the season Bernards shut out Rival Ridge 19-0. The drive for five had come alive and Bernards finished the season with a winning 5-4 record, the first in eight years.

Several members of this year's squad attained individual honors, as recognition of their excellent play during the season. Top Honors went to Bruce Thomson, outstanding runner all season. Bruce was voted first string in the Mountain Valley Conference, second string all Somerset County, and third string all State. Jack Tosi and Jim McCue were both voted to second string on the Mountain Valley Conference Team, and Kip Cleland and Joe Chipparulo were voted third string Mountain Valley Conference Team. In addition Jack Tosi was also given an Honorable Mention for All Somerset County.

With many returning lettermen, next year should see a bigger and even more powerful Bernards football team.

Under the excellent guidance of Coach Keller the team learned the football basics which are so necessary in J.V. and Varsity football. They should be a big help to BHS in the next four years.

VARSITY CROSS COUNTRY . 1966 .

In only its fourth year of existence the 1965 Bernards High School Cross Country team has become New Jersey State Champions of Groups One and Two. Under the excellent direction of Coach Mather the runners have racked up impressive victories all season long. Undefeated in Dual Meet Competition the team won all eleven of its contests, easily taking first place in the Mountain Valley Conference. The B. H. S. team later placed third and fourth in two different invitational meets held in Jersey City and then journeyed to Bridgewater-Raritan High School and upset Somerville to take first place in the Somerset County Championship Meet. Finally, after winning the State Qualifying Meet the team, on November 20, capped a fantastic season by returning to Bernardsville victorious from the New Jersey State Meet.

Outstanding runner all season long for Bernards was Mark Vornhagen. Other strong runners included John Monsees, next year's captain, Paul Vornhagen, John Parr, Karl Kinscherf, Randy Hixon, Joe St. Onge, Bob Johnson, Steve Arntz and Pete Leonard. With only three members of the team leaving because of graduation, next year's team should be as strong as this year's and we all wish Mr. Mather and his team continued success.

VARSITY BASKETBALL

The 1966 Basketball Team ended up with a disappointing 1 -16 record. Many times during the season, the team was ahead only to lose in the last minutes of the game. Coach Buckley was able to spur his boys on to work as a team so that several strong opponents were very nearly conquered. Everyone hopes that next year will bring a better record.

On the team there were many individuals who were standouts. On several occasions Captain Paul Buff scored over twenty points a game. Joe Bocchino and Jim D'Angelo provided needed support as did Joe Chipparulo and Tom Carton. With many returning lettermen, next year should see a more productive basketball season. Credit should go to all of the team members for sticking it out. Late in the season, they were rewarded with a win over Randolph Township.

The 1966 Bernards High Varsity Wrestling Team had an outstanding 10-1 season this year. Coach Keller and his team surprised many better teams by defeating them. Outstanding wrestlers all season were co-captains Dan Hassinger and Don Marsden. Also Bruce Thomson and Jim McCue in the Heavy Weight Classes, with Dick Vermeulen, Carmine Petriccione, John Eppler, Kip Cleland, helped lend the needed support to round out a well-balanced team.

The Varsity Team was invited to a Christmas Tournament at Bridgewater-Raritan this year which they won to Bound Brook's surprise. The Varsity also did well in the Districts placing third. Many boys will be returning next year and an even better season is looked for.

As a class we have dreamed and aspired, as did our counterparts of the twenties. May we who are so wrapped up and involved in the soaring sixties come out of it as well as those who made the roaring twenties the threshold of man's greatest progress . . .

Have fun this summer!!

Pal,

To my dear note writer - doer! I'll never forget the summer of 65', although I'd like too, and this great year of '66. I know we had our problems but what else is new! Just think of next year which is coming up faster then we both think! Like band, wrestling, districts, County, Ridge. A.F. you get the picture.

Never forget all our good times either.
~~Will~~ I'll be seeing you all this summer

Love,
Dee
